Boy Scouts Will Go On Week End Trip

Members of Pahokee Boy Scout Troop 28 will spend the weekend on a camping trip to Sand Lake 30 miles west of Okeechobee City.

The Troop, accompanied by Scoutmaster Louis Mims, Neighborhood Commissioner Ed Carver, District Committeemen Manning I. Keen and Robert McIntosh, and Gene Pickren, will leave the scout-hut on Barfield Highway at noon Saturday and return Sunday afternoon. At the campsite the scouts will pitch their tents to form a circle with the two scouts to each tent, a small fire for cooking to be built in front of each tent and a large camp fire in the center.

After spending the afternoon at swimming, fishing and other outdoor sports the scouts will form a study circle following the evening meal when Committeeman Robert McIntosh will read from the official Boy Scout Handbook and conduct a question and answer forum for the 15 tenderfoot scouts of the troop and other scouts more of advanced rank.

Troop 28 has become one of the most active Boy Scout units in the Glades District since it was organized a few weeks ago. It attended the Gulf Stream Council's camporee near Jupiter March 18-19 and is planning to participate in a camporee at the Elks grounds on April 16. At last week's meeting Lou Myers, local T-V technician, was present with a stripped down chassis of a T-V set to demonstrate to the scouts how television works and at another recent meeting District Commissioner George King of Belle Glade demonstrated camp cooking in tinfoil. Last Sunday night 19 members of Troop 28, together with Scoutmaster Mims, attended as a body the worship service at the Pahokee Church of the Nazarene.

Disabled Plane Is Rescued From Lake

A disabled Air Force amphibian plane and its crew of four reached shore safely at Canal Point Tuesday after riding out a stiff rain squall on Lake Okeechobee Monday night.

The ship was towed in and moored offshore at Canal Point Tuesday—neither the crew nor the craft any worse for the buffeting they received in the storm.

The Air Force said the twin engined AS-16 Albatross amphibian which rode out the storm had been practicing takeoffs and landings Monday night with two other ships when one of its engines failed to function properly.

Rather than risk a takeoff with a bad engine, Capt. Charles W. Smith, instructor pilot, decided to keep the craft on the lake until repairs could be made. About the same time the rain squall struck.

The crash boat stationed at Canal Point was standing by the downed plane when the boat sprung a leak and had to be brought into the dock. Efforts were made to keep the boat afloat but they were in vain and it went to the bottom of the channel. It was raised Tuesday.

Mrs. E. F. McIlwain underwent surgery in Good Samaritan hospital in West Palm Beach last Thursday. She is recovering nicely.

PALM BEACH COUNTY'S 1955 LEGISLATIVE DELEGATION

WSOS CANDIDATES

The nominating committee of the Pahokee First Methodist Woman's Society of Christian Service held a meeting at the home of Mrs. Robert J. Schroder Tuesday night to select candidates for WSOS offices for the coming year. Others attending were Mrs. R. W. Sanders, Mrs. Leo Maxwell, Mrs. I. M. Lair and Mrs. L. W. Armstrong.

Council Accepts Zone Ordinance

Pahokee's new zoning ordinance, prepared after several months of study and work by a special zoning board working in cooperation with Frederick H. Bair, Jr., executive secretary of the Florida Planning and Zoning Association, was finally accepted by the City Council at the regular meeting Monday night and was passed on the final reading.

Prior to the vote on the ordinance, the Council, with Mr. Bair present to answer technical questions, conducted an open hearing to listen to any objections of local property owners to the provisions in the new ordinance. Some 25 residents were present and several expressed their dissatisfaction but were mollified when the Council promised to add amendments to ease certain zoning restrictions believed to be detrimental to the welfare of the community.

The group voted to employ again this season Leland Keene, Pahokee Junior High teacher and coach, as manager of the city's swimming pool which will open on April 8.

The Council passed a resolution requesting the County Commission to build the Sub-Courthouse for the Glades area on County-owned property adjoining the County Airport at Bacom Point. This request has also been made by the City of South Bay and by the community of Canal Point through the Canal Point Lions Club.

Fine Arts Exhibit Scheduled Sunday

The Omicron Chapter of the Sigma Eta Fine Arts Sorority will hold a public fine arts exhibit and tea at the Community Hall in Canal Point Sunday, April 3, from 2 to 6 p. m.

The Omicron, organized last December with members of the Glades area from Canal Point to South Bay, is the second chapter of the Sigma Eta to be organized in Florida, though it is a national fine arts sorority. The Xi Chapter in Hollywood was the first to be formed in this State.

The exhibit will consist of pastels, water colors, ceramics and other works of art. Members of the Hollywood Xi Chapter will also have on display at this exhibit their works of art and other creations by outstanding students.

Mrs. Sam Cleland of Fort Wayne, Ind., a member of the national board of Sigma Eta, will honor the Omicron Chapter with her presence at the exhibit, which will be under the supervision of Mrs. Frank Anderson of Belle Glade, chapter president. Musical talent will be presented during the afternoon while the exhibit and tea is in progress.

The exhibit is free and open to the public which is urged to attend this worthwhile project and become acquainted with some of the artists of the Glades area.

Phone Co. Handles Record Number Calls While Strike Is On

On March 28th—during the course of the telephone strike—the Belle Glade and Pahokee telephone exchanges handled the largest number of calls in the history of the two exchanges, according to a statement by Ed Reddy, district strike is going into the third week. The total number of calls handled on March 28, according to Mr. Reddy, was 1,689.

TO CONFER DEGREE

The Pahokee Assembly, Order of Rainbow for Girls, will confer degrees of the Order on four candidates, Joan Darden, Peggy Upholzer, June Gant and Shirley Kincaid, at a meeting in the Masonic Hall Monday night. Miss Jeanine Mock, worthy advisor, and her staff of officers will be in charge of the degree work.

FFA Sweetheart To Be Named Tonite

Officers of the Pahokee Chapter, Future Farmers of America, have invited the State FFA officers; also A. R. Cox, State FFA executive secretary, and H. E. Wood, State FFA advisor, both of Tallahassee, to be their guests at a dinner Friday, April 1, at 6 p. m.

The dinner will precede the FFA Sweetheart Dance which the Pahokee FFA Chapter gives annually to the Pahokee High School student body. The dance will mark the end of the contest to name Pahokee's 1955 FFA Sweetheart, with each of their five upper classes sponsoring a candidate for the honorary title. The State FFA officers will be guests at the dance also and will witness the coronation ceremony for the new Sweetheart who will rule as queen of the dance, the four other contestants to serve as her attendants.

RECEIVES CAP

Mr. and Mrs. J. T. Platt and daughter Judy, of Pahokee, went to Coral Gables last Friday to attend the capping exercises and reception which marked the conclusion of the Pre-Clinical Period at Jackson Memorial Hospital School of Nursing where their daughter, Jeannie, is a student. Miss Donna Jensen also a student completed this period and received her cap. The capping exercise was held at the University Baptist Church in Coral Gables.

Special Census Is Under Way In Co.

Palm Beach County's special census was officially launched Monday when the county commission and representatives of the Federal Census Bureau signed the agreement for the work.

Meeting with the commission were Thomas McWhirter, regional supervisor for the bureau; Robert L. Gaines, regional field assistant who will have charge of the county count and L. S. Sullington, also a field assistant who will help set up the census organization here and later will direct a federal census for Broward County.

Gaines told the commission the first step will be to screen the near 200 applications for census enumerator jobs and to select the residents who will take the physical population count. He estimated that about 120 enumerators would be needed to do the job in Palm Beach County in order to meet the time table which has been set for the work.

By the end of the week, Gaines said, the enumerators will likely have started the count—results of which will not be known until the entire county has been worked. He said the enumerators should be able to complete the job in about three weeks and that the count would be rushed to Washington for verification and for certification to the state legislature. Preliminary results of the census will be announced probably about May 1.

Plans call for taking the census by incorporated communities and a breakdown on the census count will be available to the cities involved Gaines said.

McWhirter commended the commission for advance planning and preparation for the census and said no time would be lost in getting the work underway.

Headquarters for the census operation will be the Grand Hotel in West Palm Beach.

Red Cross Campaign Has Few Days To Go

The American Red Cross fundraising campaign in the Pahokee-Canal Point area will be extended a few days to give everyone an opportunity to "join and serve," as the slogan says this year.

The campaign is moving along at a steady pace but there are still many who have not yet contributed, according to C. A. Batchelor, local drive chairman.

Mr. Batchelor reminds the public that the Red Cross is "neighbors helping neighbors." "I have every confidence the people of Pahokee and Canal Point will come through with flying colors to achieve our \$1,450 quota. Next week we are going to work very hard to wind up the campaign and we ask your cooperation and support," he said.

VISIT AUTORAMA

Mrs. Sarah Thomas's fourth grade pupils visited the Autorama at Lantana last week. The 29 boys and girls were accompanied by their teacher, Mrs. Thomas; also by Mrs. J. T. Guerry, Mrs. Robert B. Mackey, Mrs. Ralph Grimes and Mrs. Joe Thompson.

Mr. and Mrs. Charles Maxson are spending two weeks with friends and relatives in Mississippi.

Cinematic Chatter

By Malcolm Millar

Hello everybody! The rise to stardom of Barbara Rush defies the Hollywood tradition that early frustration must mark the struggle to be recognized. For there has never been any heartbreaks for this young beauty. She had a normal growing period, went to school, had her early dramatic experience at the famed Pasadena Playhouse which led to a few movie roles and was promptly signed by Universal-International. After only two films at this studio, "It Came From Outer Space" and "Taza, Son of Cochise," Miss Rush was awarded one of the three top roles in "The Magnificent Obsession," with Jane Wyman. So, while Hollywood legends thrive on stories of stardom achieved through super-publicity campaigns or through a standout role in an important picture, the story of Barbara Rush is one so normal as to be considered "off-beat." She was born in Denver and spent the first ten years of her life traveling with her parents. Her father was a corporation attorney for a large mining company in the midwest, a profession which kept the whole family on the move between mining towns. Her mother was a registered nurse who retired from "active duty" after she met and married her husband. Barbara attributes her interest in dramatics entirely to her mother who always has been a participant and sponsor of little theatre groups. She made her first movie debut in "The First Legion" opposite Charles Boyer.

No, Barbara doesn't run true to Hollywood tradition, but she certainly runs true as a good "trouper" and that's what it takes to stay on top in the theatre or in movies... See you at the movies—Mal.

O'Connell - Ludeman

A. J. Ludeman, for many years a resident of Pahokee, and Miss Evelyn Fox O'Connell, both of Silver Creek, N. Y., were married in the Methodist Church of that city Friday evening, Mar. 11, with the Rev. M. E. Anderson, officiating.

Mr. and Mrs. C. E. Elliott, uncle and aunt of the bride, were attendants.

Mrs. Ludeman is a teacher at the Angela Central School there. Mr. Ludeman, who was associated with W. H. Vann, Inc., while a resident here, is now employed by the S. Howes Co.

They are making their home at 2 Burgess St., Silver Creek.

Screw Worm Problem To Be Given Study

TALLAHASSEE — The State Livestock Board was authorized by the Cabinet last week to earmark \$25,000 for the study of the screw-worm problem. Losses to Florida livestock men from screw-worm has been exceptionally heavy and these funds will be used to try and find the answer to the problem.

Budget Director Harry G. Smith, said that the Livestock Board has a surplus of \$25,000 and by matching federal funds will be in a position to do some real work on the problem.

M. M. Martin, Jr., is substituting for Mrs. Betty Rosenberg as organist at the Canal Point Methodist Church for a few Sundays.

FROM WASHINGTON TO EISENHOWER

Former Acting Governor Charley E. Johns holds 33 presidents, from George Washington to Dwight Eisenhower, in his hands symbolizing Presidential Insurance Company. Johns is president of the new Florida fire and casualty company which has home offices in Jacksonville. Johns, a self styled "spokesman for the little people" in 20 years service in the Florida Legislature, says Presidential will be a partnership between the business man and the working man with each owning stock and having a voice in the affairs of the company.

James - Million

Miss Edna James, daughter of Mr. and Mrs. George James of Pahokee and North Carolina, became the bride of Leroy Million, son of Mrs. Ida Million of Pahokee, in a double ring ceremony held at the Canal Point Methodist Church Saturday, March 26, at 6 p. m., with the Rev. B. William Palmer, pastor of the church officiating.

The ceremony was performed in the presence of a group of close friends and relatives.

Mrs. Virginia Cosnell, sister of the bridegroom, served as matron of honor. Lemuel Cosnell of Pahokee was Mr. Million's best man.

Following the wedding a reception was held at the home of the bridegroom's mother.

Mr. and Mrs. Million are making their home at 214 Begonia Drive in Pahokee where he is employed as transmission patrolman by the Florida Power and Light Co.

Rogers Introduces Congressional Bill

Congressman Paul Rogers has introduced in the House of Representatives H. Res. 194 which would permit two or more members to introduce jointly any bill, memorial, or resolution, as is now done in the Senate, but which under House Rules cannot be done. He has stated that he believes that if this Resolution is passed it will result in saving thousands of dollars in unnecessary printing, and result in a large saving to the taxpayers.

Congressman Rogers gave as examples of unnecessary printing the following: During the 83rd Congress, 24 identical bills were introduced on an immigration measure which consisted of 212 pages. The total printing cost was about \$39,594.72. Had one bill been jointly introduced, about \$20,776 would have been saved. Also, during the 1st Session of the 83rd Congress, 137 similar bills were introduced on the subject of Social Security—the bills averaged 21 pages and the cost of printing these bills was approximately \$26,047.81. In the tax field, 300 similar bills were introduced and these averaged 3 plus pages, with printing costs of around \$11,064.00. There were probably hundreds of other cases where duplicate bills were introduced on other subjects.

CHOIR REHEARSAL

Mrs. Robert J. Schroder entertained in the social hall of the First Methodist Church Wednesday evening, following the weekly rehearsal of the Adult Choir with a party for choir members, honoring her husband, who sings in the choir, on his birthday anniversary. Refreshments were served by the hostess.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

County Engineers Is Head New State Group

Selection of Palm Beach County Engineer Steve Middleton to head a newly formed State Association of County Engineers and County Road Superintendents was announced in Jacksonville over the weekend.

A report on organization of the new association was given by County Commissioner Paul Rardin, who with other members of the county board, was instrumental in organizing the new group as an affiliate of the State Association of County Commissioners. An association of County Attorneys has been a part of the commissioners' organization for a number of years.

Rardin said the new group was organized at Jacksonville last week at a meeting of the county commissioners association. Middleton will serve as temporary chairman of the group until the new association elects officers in October.

Commissioner Rardin also reported that 63 of the state's 67 counties were represented at the association meeting and that attendance also included 27 county clerks and 39 county attorneys.

Formation of the engineer group is the outgrowth of a plan suggested some time ago by the Palm Beach County Commission and was presented to the state association by Commissioner Rardin, a past president of the State commissioners group.

Membership in the new group includes August Weybrecht, road superintendent for the Palm Beach County Commission.

Laymen To Conduct Methodist Services

The laymen of the Pahokee First Methodist Church will be in charge of a series of special services at the church, April 4-8, according to Dr. Robert A. Guy, pastor. O. B. McClure will be in charge of the evening service Monday, April 4; Jack Sweeney, Tuesday; I. M. Lee, Wednesday; Jesse W. Reel, Thursday; and John A. Dulany, Friday. The Uptown Quartet will sing at the Friday-night service.

Schoepfel - Wilson

Mrs. John Clarence Schoepfel announce the engagement and approaching marriage of her daughter, Miss Gaye Schoepfel, to Milton Wilson, son of Mr. and Mrs. W. R. Wilson of Pahokee.

Miss Schoepfel is a junior in Pahokee High School. She was the '54 FFA Sweetheart and was recently crowned 1955 Harvest Queen. She attended Scout Camp at Juliette Low. As a delegate from the Pahokee Baptist Church she attended Ridgecrest Baptist Assembly in 1954.

Mr. Wilson graduated from Pahokee High School in 1954 after which he attended Florida Southern College where he was a pledge of the Phi Kappa Alpha Fraternity. He is now in the farming and cattle business with his father.

The double ring ceremony will be performed at the First Baptist Church May 22 at 4 p. m. by Rev. A. Rich of Delray Beach and Rev. James Merrill of Pahokee. No formal invitations are being sent, but all friends of the couple are invited to attend the wedding.

Says Cabinet Should Select Dept. Head

JACKSONVILLE — The Southeastern Fisheries Association feels that the best interests of the state would be served if the Director of Florida's State Conservation Department were selected by the entire Cabinet rather than by the Governor, and at a recent meeting recommended that the legislature give the matter full consideration.

The Fisheries group also expressed concern over the possibility that the research work being done by the Marine Laboratory of the University of Miami might be discontinued, and endorsed the laboratory for the fine work it has done in the past and urged that it be continued.

The State Railroad and Public Utilities Commission adopted a set of 40 new rules governing gas service in Florida, covering quality, operation of plants, safety and relations with customers.

Benjamin Franklin, whose birthday is January 17, was expert in handling money and his advice is as found today as 200 years ago. All quotations here are from his booklet, "The Way To Wealth," published 1760.

Ben Franklin gives you some expert advice about Payroll Savings

"What though you have found no Treasure, nor has any rich Relation left you a legacy, Diligence is the Mother of Good Luck."

Have you ever wished you had \$1,000, \$5,000 or more—to buy a car, get a home, help you toward retirement? Today, it is actually easy to save such large sums! Because, today, you can have your saving done for you—with automatic diligence—through the Payroll Savings Plan.

"If you would have a faithful Servant, and one that you like, serve yourself."

Serving yourself means *keeping* some of the money you make each week and investing it, for yourself. Here's how: you just name a sum to your company's pay office—a few dollars or as much as you want. Each payday, that sum will be saved from your pay, before you get your check and invested for you in one of the world's finest investments, U. S. Series E Savings Bonds!

"Little Strokes fell great Oaks."

Because Savings Bonds earn good interest, they're soon worth more than the money you've invested in them. And how your savings mount up! Sign for as little as \$5.00 a week and in 9 years, 8 months, you'll have \$2,850 *cash*. In 19 years, 8 months, you'll have \$6,872!

"One To-day is worth two To-morrows, and farther, Have you somewhat to do To-morrow, do it To-day."

For your own sake, don't put off joining the 8 million Americans who are making their dreams come true through Payroll Savings. Sign up for Payroll Savings today. Or, if you're self-employed, invest in Savings Bonds regularly where you bank. *If you want your interest as current income, ask your banker about 3% Series H Bonds which pay interest semiannually by Treasury check.*

Cub Pack 23 Holds Its March Meeting

The Pahokee Cub Pack 23 held its March meeting in the recreation hall of the Elks Lodge Tuesday night with Cubmaster Jack Phillips presiding. W. K. (Hank) Aldridge, assistant cubmaster, Mrs. Edgar Wilder and Mrs. E. J. Graham, members of the ideas committee, and a large group of parents were present.

The cubs, in keeping with the month's theme, "Knights of Yore," attended the meeting dressed as little knights, riding wooden horses. Their costumes, including armor, shields, helmets and swords, were made by the cubs at den meetings. They also had on display scrapbook relating to that period of history when "knighthood was in flower. A contest in the form of a "chain and ball" duel was enjoyed by the "knights."

It was announced that George Tucker will serve as acting cubmaster of Pack 23 during the coming spring and summer seasons while Cubmaster Phillips is busy with his plane crop dusting work. George King of Belle Glade, Glades District Commissioner, announced a meeting of the Glades District will be held at South Bay on April 12.

Cubmaster Phillips presented the following awards: Bobcat Pin, Tommy Collier; Wolf Badges, John and Chuck Pell, Dennis Crady, Harry Cunningham, Wayne Hundley, Joe Mitchell; Bear Badges, Joe Graham, Jimmy Brockett; Golden Arrow Point, Roger Simonson, Kelly Waggon, John and Chuck Pell, Dennis Crady, Harry Cunningham, John Hundley, Joe Graham; Silver Arrow Point, Roger Simonson. Den Four received the honor flag award for the month; Den Three, the good conduct flag, and Den One, the achievement plaque.

Vann - Branch

Mr. and Mrs. Lewis P. Vann of Pahokee announce the engagement and approaching marriage of their daughter, Miss Evelyn Vann, to David Branch, son of Mr. and Mrs. A. B. Branch of Baxley, Ga. The bride-elect received her education at Pahokee High School. Mr. Branch is a graduate of the Baxley High School and following graduation served for two years in the U. S. Army. He is now employed by the Lynch, Davidson Motor Company in Jacksonville.

The wedding will take place at the Pahokee First Methodist Church on Saturday, April 2.

Raley - Johnson

Plans have been announced for the wedding of Miss Mary Janet Raley of Pahokee, daughter of Mr. and Mrs. James R. Raley, Canton, Ohio, and Ralph O. Johnson, also of Pahokee, son of Mrs. J. O. Johnson of Lakeland.

The ceremony will take place at the Duclier Avenue Methodist Church in Canton Saturday, April 16, at 3 p. m.

No formal invitations are being issued locally but all friends of the couple are invited.

Christian Science Group Of Canal Point

How spiritual understanding of God brings freedom from the futility of materialism will be brought out in the Lesson-Sermon entitled "Unreality" at Christian Science services Sunday.

Selections to be read from the King James Version of the Bible will include the following from Jeremiah (2:5): "Thus saith the Lord, What iniquity have your fathers found in me, that they are gone far from me, and have walked after vanity, and are become vain?"

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read: "The perfect Mind sends forth perfection, for God is Mind. Imperfect mortal mind sends forth its own resemblances, of which the wise man said, 'All is vanity'" (239:29).

The Golden Text is also from Jeremiah (4:14): "O Jerusalem, wash thine heart from wickedness, that thou mayest be saved. How long shall thy vain thoughts lodge within thee?"

WSCS April Meeting Scheduled Monday

The Pahokee First Methodist Woman's Society of Christian Service will conduct its April meeting at the church Monday afternoon at 3 o'clock instead of at 8 p. m., as was originally scheduled. The change was made in order that the WSCS meeting would not conflict with the special laymen's service to be held at the church every evening, Monday through Friday, during the coming week. Mrs. Frank Friend, WSCS president, will preside. Mrs. Robert J. Schroder will review Lady Hosi's book, "The Master Callieth for Thee." A nursery for preschool age children will be conducted during the meeting.

Mrs. Knight Presents Baptist Program

Mrs. Thurmond W. Knight, program chairman of the Fay Taylor Circle, presented "The Cooperative Program" at the monthly meeting of the Pahokee First Baptist Woman's Missionary Society held at the church Monday afternoon. Those taking part in the program, which was broadcast over a public address system, included Mrs. Ralph Grimes, Mrs. C. L. Shirley, Mrs. Joel Brown, Mrs. Gene Pickren and Mrs. W. K. Aldridge.

Members brought to the meeting donations of clothing and linen for the Baptist Children's Home at Lakeland.

Mrs. Horace Unwin, vice president, presided in the absence of the president, Mrs. F. G. Gillis.

NATURAL GAS FOR FLORIDA

HOUSTON—The Houston Texas Gas and Oil Corporation of Houston will construct a natural gas pipeline from McAllen, Texas to Miami, Florida, a distance of over 1,500 miles. It is estimated the project will cost 185 million dollars. The pipe line will bring natural gas within reach of many Florida cities and serve to reduce fuel costs materially.

Canal Point Lunch Room Operated On An Efficient Plan

1. The personnel of the Canal Point School Lunch Room does want to cooperate wholeheartedly, with the school program as a whole.

2. (a) We have not scheduled certain days for parents' visits to our lunch room, but our door is open at all times for any parents to visit us and also welcome to eat at any time.

(b) We asked early in the school year that a program based on the lunch room program be presented at a regular meeting of the P. T. A. (c) We have failed in sponsoring a study course on child nutrition as is suggested, but we do discuss this issue whenever possible. We serve a type A lunch and provide the necessary food daily health requirements. The children need never leave our table hungry, for our slogan is: "All you can eat for any time."

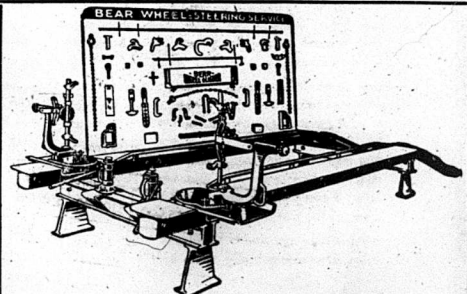

(d) Our menus are posted in the office a week in advance for the convenience of home use.

(e) Our lunch room has been able to operate on a pay-as-you-go basis, of which we are very grateful. If we had the full cooperation of all parents of the school, by seeing that the children who must eat their lunch away from home would patronize the lunch room, we would be able to provide even a much better lunch for the children. Since the lunch room is sponsored by the P. T. A. we feel all parents should give to the lunch room their wholehearted support and by going so, help to make the lunch room greater success in its operations. For the past few months we have had a decrease in the number eating in the lunch room. This is due to lack of cooperation on the part of some. This problem makes a bad showing on our monthly reports going into the county and state supervisors' offices.

3. This phase of the Blue Ribbon requirements pertain to the Parent-Teacher member cooperating with the lunch room committee. Have you checked to see if you have met this requirement?

4. Pertains to our committee securing adequate financial support from the state, county or local groups, but so far we have been able to meet this requirement without asking funds from any other source. We solicit your full cooperation.

**Make your dream house come true! It's easy
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving *automatically*—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

* * *

If you want your interest as current income, ask your bank about Series H Bonds, which pay interest semi-annually by Treasury check.

Camporee, Barbecue Scheduled By Scouts

A Boy Scout Camporee and public barbecue will be held on the Pahokee Elks grounds Saturday, April 16, under the joint sponsorship of the Pahokee Troop 28 and the Canal Point Troop 24.

Under present plans the Scouts will pitch their tents on the camp site at 10 a. m. and prepare their own noon meal. In the afternoon, from 2 to 4 p. m., a program of entertainment featuring various scout games, contests and skills will be presented by members of the two troops, with the public invited to attend. The public is also urged to attend the rib barbecue which will be served from 4 to 7 p. m.

Proceeds from the barbecue, which will be served at a dollar a plate, will be divided between the two troops and will go toward the purchase of needed troop equipment.

C. P. Lions Support Glades Court House

A resolution favoring the location of the proposed County Sub-Courthouse for the Glades area on County-owned land adjoining the County Airport at Bacom Point was passed by the Canal Point Lions Club at the dinner meeting Monday night. A copy of the resolution will be sent to the County Commission in West Palm Beach.

The club voted a \$10 donation to the American Red Cross. President Osceola Uptegrove called upon chairmen of standing committees for reports of club activities during the past month.

New Officers Named By Pahokee Church

Members of the Pahokee First Methodist Church elected new church officers during the fourth quarterly conference held in the church auditorium with Dr. Clare Cotton, superintendent of the West Palm Beach District of Methodist Churches, presiding.

A new church budget of \$13,131, starting in June, was adopted. It was reported collections to date on the building fund for the church's new educational building, now under construction, total \$32,467.32. Dr. Rembert A. Guy, pastor, reported the church membership roll totals 413. Mrs. Frank Friend, president of the Woman's Society of Christian Service, reported 105 members in the WSCS.

L. L. Shirley, chairman of the pastoral committee, read a resolution drawn up by the congregation commending Dr. Guy for his devoted ministry in the church and the community during the three years he has served as pastor and Mrs. Guy was also praised for her leadership activities in mission and children's work. At the end of the current church year Dr. Guy plans to accept a position as executive secretary of the Board of Claimants of the Florida Methodist Conference.

Church officers elected or re-elected were O. B. McClure, Frank Rozelle and J. D. Rogers, trustees with three-year terms each, who will work with holdover trustees Lloyd Hundley, L. L. Shirley, R. W. Sanders and R. J. Simonson; C. A. Canipe, O. D. Carpenter, D. W. Cunningham, J. A. Dulany, L. J. Fraser, Thomas Handley, W. D. Howard, M. P. Holman, Dr. W. H. Lair, R. O. Johnson, Mendal Luce, L. E. TELEPHONE SERVICE IN BELLE GLADE AND PAHOKEE IS NOW NORMAL

Management employees and non-supervisory employees not participating in the strike are working tirelessly to give you service. The Company publicly commends them and expresses its appreciation for their devotion to duty.

As a result of their efforts, we are now in position in Belle Glade and Pahokee to handle on a normal basis all local and long distance calls.

Negotiations between the Company and the Union have the guidance and assistance of the Federal Mediation and Conciliation Service, and we hope that an early settlement can be reached.

Meantime, we thank you for your understanding and patience during this trying period. Your expressions of encouragement and support are most appreciated.
